MAGNLENS

Featured in this issue: Winter 2022

Magnlens is a global yet independent unisex activewear brand that makes sustainable apparel that transcends.

We're driven by the idea of creating clothing that moves through the world without archaic limitations. We look to challenge the expectations of activewear by designing with intent beyond its definition. Inspired by versatility and culture's transitional energy, MAGNLENS, explores through style, utility, and experimentation.

Apparel that moves like you.
